

Emergency or Emergence? From Crisis to Calling

with Catherine G Lucas

How to move from crisis to calling AND flourish financially.

Journalling Prompts
for helping to identify what is calling you right now:

How are my priorities changing?

What values do I want to embody in my life and my work?

What better version of myself do I want to become?

What better version of my life do I want to create?

What better version of my community do I want to help co-create?

What is mine to do?

What is calling me right now?
